Wings Prison Parties Held in NM in Las Cruces and in Santa Rosa and in Lancaster, OH

Fourteen volunteers traveled to Las Cruces for the 2nd Wings Party at the Southern NM Correctional Facility in Las Cruces, NM. Sixty-six inmates and over 100 family members joined Chaplain Jeff Mulac, Deputy Warden's Steve Nance and Lupe Marshall, and special guest Tracey Buckley, Director of Guideposts' **Sweaters for Kids** in the drama of Jesus calming the waves, crafts, pizza, and fellowship. The afternoon ended with three talented winners in the spoon hanging contest who were even able to jump up and down with the spoon on their nose!

"...chance to be with my wife and hear the Word of the Lord...pizza was a bonus."

Crafts unite families

In Santa Rosa, Sister Vincentia shared how Christ loves each of us. Instead of pizza, dinner was Karen Bramlitt's Tortilla Roll-ups with chips, salsa, and homemade cookies. The staff was very supportive and even joined in the mixer games with families before the Party.

Lancaster, OH hosted their 3rd Wings Christmas Party. Sweaters, hand-made by inmates, and decorating **over 100 dozen cookies made by local volunteers** were a hit as was the Nativity story where an inmate played Joseph and was able to hold his 2 week-old son as baby Jesus.

Wings Ministry Receives CCF Grant!

Wings Ministry is the proud recipient of a Compassion Capital Fund (CCF) Targeted Capacity Building Program Grant. CCF is a federal grant offered by the Administration for Children and Families. This one-year grant has provided Wings the ability to hire its first employees and will enable Wings for L.I.F.E. (WFL) to expand to a second site in Albuquerque. WFL, our support/ empowerment group for families of inmates and releasees, will also continue to meet at the Boys & Girls Club – Heights Branch.

The new location will be in the South Valley and focus on helping these families strengthen their marriages, families, and help build healthy relationships. Jen Broderick will be the Community Educator for the South Valley program. Joann Henry and Dolores Hughes will share the job of Data Management Coordinator.

Thanks to Dr. Holly Hickson who worked long hours to obtain this and other grant funding for Wings Ministry.

Community Educator for Wings for L.I.F.E.

Jennifer Broderick, LMSW (Licensed Social Worker) joins Wings Ministry as the Community Educator for the new South Valley Wings for L.I.F.E. program. She will be developing contacts, referrals, and education based on the Wings for L.I.F.E. Healthy Marriage program to enable families to grow stronger, despite incarceration of one of the partners.

Jen says, “Working with families has always been my passion. Since my recent return to Albuquerque, I've felt God putting people that are involved in prison affiliated ministries in my path. After talking with Ann Edenfield Sweet and reviewing the Community Educator job description, I knew this is where I wanted to be. All the Wings volunteers, board members, and community liaisons I've met are so enthusiastic and caring, it is definitely contagious. I know 2008 is going to be a fantastic year for the Wings Ministry. Working with amazing people like Ann, Joann, and Dolores is a wonderful opportunity for me. I'm truly blessed!”

Two Share Data Management Coordinator Position

Joanne Henry & Dolores Hughes

Joann Henry and Dolores Hughes will be sharing the position of Data Management Coordinator, a position funded through the Capacity Building Grant Wings received. They will develop and train volunteers and staff in more efficient data management and communications systems.

Joann Henry says, “The *Wings Ministry* has a special place in my heart because I know how hard it can be when a loved one is in prison and how difficult it can be to forgive. *Wings* has been a lifeline for me since 2002 when I met Ann. My father was about to go to prison and like many families in that situation, I was confused and saddened. I look forward to utilizing my talents in data base management and training to be part of that lifeline, now. I am excited to be involved in helping *Wings* achieve its goals and working with everyone involved in this ministry.”

“I consider it a privilege to be one of Wings first employees serving in the capacity of Data Management Coordinator. I look forward to a wonderful journey working with the management, board, volunteers, and all members associated with the Wings Ministry! This ministry addresses the unique needs of family members of incarcerated individuals in a positive way by teaching them how to build a solid foundation within their families through interaction with volunteers and members of the community,” states Dolores Hughes.
