Wings is Going to Liberia – January 2020!

Wings For LIFE International is planning a mission trip to Liberia, Africa in January 2020. We will host prison and community Family Days and trainings in prisons, orphanages, churches, and slums. We will fly into Monrovia and our full itinerary will be posted as soon as it is completed.

Raymond Bombo is the Wings For LIFE International – Liberia Executive Director. He has already hosted a Christmas and an Easter Community Family Day. In September he plans to start our educational program, Wings For L.I.F.E. – Life-skills Imparted to Families through Education. We will go and do in-person training not only for him, but his Board of Directors, other leaders in Liberia, and others we meet along our journey.

TEAM MEMBERS will need the following:
- A calling to go to Liberia and help me with this mission. Like to take photos? Lead daily devotions? Be the team “Doctor” or “Nurse”? Team cheerleader? Logistics coordinator?
- Personal funding to cover the costs of the trip.
- General good health and personal stamina.
- A willingness for adventure, new culinary treats, and a desire to meet others who want to help families of prisoners, people behind bars, and the ‘least of these’.

I will need to raise funds to help cover my way, and also to pay for costs for Liberian team members, American team members if we raise enough, and supplies for the trip.

1. All donations given to Wings are tax deductible.
2. All donations given to Wings for a mission trip are tax deductible, even for possible future team members, provided the following:
   a. All donations are given to Wings and can’t be returned to the donor if someone is not chosen for the trip, can’t go, etc.
   b. If more money is raised or donated to Wings than is actually needed by an individual to cover their costs or the whole team’s cost, all that money remains with Wings and can’t be returned to the donor.
c. If the trip costs more than estimated, team members could be asked to do additional fundraising to cover the total costs. Those donations would be tax deductible, provided the funds were used by the whole team and not just one individual.

3. All team members must be chosen and determined by the Board. If an individual hopes to be a team member and starts fundraising and even contributes his/her own money to the travel fund, those donations are tax deductible. If that person is not chosen as a team member or can’t go on the trip for some reason, those funds may not be returned, but will be used by Wings for other team members or for future travel.

GENERAL WAYS to HELP:

a. Make a donation
b. Help with internet research – best travel prices, prisons, info about Liberia, logistics
c. Help us get bulk antibiotics to bring to prisons, orphanages, and hospitals
d. Help us get small gifts for people we meet – Seeds, aspirin, soap, pencils, pens, crayons, stickers, toothpaste, toothbrushes, etc.

I would like at least two other people to go with me from the U.S. to make the trip. I hope you will consider joining us. Thousands of people will be impacted by this trip and we plan to train hundreds of leaders so the Wings’ methods of ministry and education will continue to expand and grow.

Thank you in advance for your support and prayers,

Ann Edenfield Sweet, Executive Director/Founder
